Grandparents Rights

21/09/2006

This week is Grandparents' Week and the question of Grandparents' Rights is one that has become more prevalent in recent years. One lady who has witnessed first hand the trauma and heartbreak of having access to her granddaughter revoked is Sheila Steptoe. Sheila joins us on the show today.

Her book 'Before I Get Old and Wrinkly', which actually began as a letter to her children, narrates her thoughts and feelings through this difficult time. Sheila hopes that the book will pass on the lessons that she has learnt during her life so far to her children and grandchildren.

Before I Get Old and Wrinkly! (2nd Edition) is published by Authorhouse and is available now at £11.49.
